

Coca-Cola

Coca Era

The image features a vintage Coca-Cola logo in a classic script font, centered within a large, light-colored oval. Below the logo, the words "Coca Era" are written in a smaller, elegant cursive font. The entire central composition is framed by a dense, intricate border of black line art. This border includes various elements: a can of Coca-Cola at the top, a glass bottle of Coca-Cola at the bottom, a glass with a label that reads "Beob. Sultki" and "Lula" on the left, and several lemons and lemons halves on the right. The background of the border is filled with detailed floral patterns, including large flowers, leaves, and swirling motifs.
